Effects of exchange rate changes on cash and cash equivalents		(85)	244
Cash and cash equivalents at end of year	5	-	1,552

The above statement of cash flows should be read in conjunction with the accompanying notes.

1 Company profile

INSEARCH Education is a private company limited by guarantee not having a share capital. INSEARCH Education was incorporated on 1 July 2004 (UK company registered number 5168079) and registered with the UK Charity Commission as a charity on 5 August 2004 (UK registration number 1105345).

The primary objective of the charity is the advancement of education through the provision of support and assistance to the University of Technology, Sydney, Australia and University of Essex, United Kingdom.

Funds held by INSEARCH Education are generally unrestricted income funds that are expendable at the discretion of the directors in furtherance of the charity's objects. There were no restricted income funds held by INSEARCH Education in 2014 and 2013.

2 Summary of significant accounting policies

The principal accounting policies adopted in the preparation of these financial statements are set out below. These policies have been consistently applied to all the years presented, unless otherwise stated.

(a) Basis of preparation

These general purpose financial statements have been prepared in accordance with Australian Accounting Standards, interpretations, other authoritative pronouncements of the Australian Accounting Standards Board [AASB] and the *Public Finance and Audit Act 1983* and the *Public Finance and Audit Regulation 2010*. Where there are inconsistencies between the above requirements, the legislative provisions have prevailed. INSEARCH Education Pty Limited is a not for-profit entity for the purpose of preparing the financial statements.

The financial statements have been prepared on a liquidation basis. Assets and liabilities are measured at the recoverable amount. Refer to note 2(a)(iii).

The financial statements were authorised for issue by the directors on 18 March 2015.

(i) Statement of Compliance

The company's financial statements and accompanying notes comply with Australian Accounting Standards which include Australian Accounting Interpretations.

Generally accepted accounting principles, authoritative pronouncements of the AASB, including Interpretations, the *Public Finance and Audit Act 1983*, and the *Public Finance and Audit Regulation 2010* have been used to prepare the financial statements.

(ii) Critical accounting estimates

The preparation of financial statements in conformity with Australian Accounting Standards requires the use of certain critical accounting estimates.

(iii) Liquidation basis

The financial statements have been prepared on a liquidation basis as management has applied to de-register the company. The company was dissolved on 17 February 2015. Under this basis of accounting, assets are valued at their anticipated net realisable amounts. The company has no liabilities. Comparative balances continue to apply the going concern based accounting policies as stated in the notes to the financial statements.

2 Summary of significant accounting policies (continued)

(b) Foreign currency translation

(i) Functional and presentation currency

Items included in the financial statements are measured using the currency of the primary economic environment in which the entity operates ('the functional currency'). The financial statements are presented in Australian dollars, INSEARCH Education's presentation currency, however its functional currency is UK Pounds Sterling.

(ii) Transactions and balances

Foreign currency transactions are translated into the functional currency using the exchange rates prevailing at the dates of the transactions. Foreign exchange gains and losses resulting from the settlement of such transactions and from the translation at year end exchange rates of monetary assets and liabilities denominated in foreign currencies are recognised in the statement of comprehensive income.

(c) Revenue recognition

Income is included in the statement of comprehensive income when the charity is legally entitled to the income.

There was no investment income generated in 2014 due to a zero interest rate on interest bearing deposit account.

(d) Expense recognition

Expenditure is recognised on an accrual basis.

The cost of governance arrangements, which relate to the general running of the charity and auditor fees incurred are borne by INSEARCH Education, and are not deemed material to the financial statements of INSEARCH Education.

(e) Income tax

No income tax has been provided in the attached accounts for the company as it is exempt from income tax under United Kingdom income tax legislation.

(f) Cash and cash equivalents

Cash and cash equivalents include cash on hand, cash at bank, deposits held at call and fixed term deposits with financial institutions.

Cash at bank is interest rate bearing with interest rate of 0% (2013: 0%).

(g) Trade and other payables

These amounts represent liabilities for goods and services provided to the company prior to the end of financial year which are unpaid. The amounts are unsecured and are usually paid within 30 days of recognition. Trade and other payables are presented as current liabilities unless payment is not due within 12 months from the reporting date. They are recognised initially at their fair value and subsequently measured at amortised cost using the effective interest method.

(h) Financial instruments

Financial instruments generate financial assets or liabilities for INSEARCH Education. These include cash and cash equivalents, receivables, payables and other financial assets and liabilities. Note 14, discloses the risks and management of those risks of the financial instruments.

2 Summary of significant accounting policies (continued)

(i) New accounting standards and interpretations

Certain new accounting standards and interpretations have been published that are not mandatory for 31 December 2014 reporting periods and have not yet been applied in the financial statements. The company's assessment of the impact of these new standards and interpretations is set out below.

- (i) *AASB 9 Financial Instruments, AASB 2010-7 Amendments to Australian Accounting Standards arising from AASB 9 Financial Instruments (December 2010) and AASB 2012-6 Amendments to Australian Accounting Standards - Mandatory Effective Date of AASB 9 and Transition Disclosures (effective from 1 January 2018)*

AASB 9 *Financial Instruments* addresses the classification, measurement and derecognition of financial assets and financial liabilities. The standard is not applicable until 1 January 2018 but is available for early adoption. When adopted, the standard will affect in particular the company accounting for its available-for-sale financial assets, since AASB 9 only permits the recognition of fair value gains and losses in other comprehensive income if they relate to equity investments that are not held for trading. Fair value gains and losses on available-for-sale debt investments, for example, will therefore have to be recognised directly in profit or loss. In the current reporting period, the company had no such gains in other comprehensive income.

There will be no impact on the company's accounting for financial liabilities, as the new requirements only affect the accounting for financial liabilities that are designated at fair value through profit or loss and the group does not have any such liabilities. The derecognition rules have been transferred from AASB 139 *Financial Instruments: Recognition and Measurement* and have not been changed. The company has not yet decided when to adopt AASB 9.

There are no other standards that are not yet effective and that are expected to have a material impact on the entity in the current or future reporting periods and on foreseeable future transactions.

(j) Comparative Information

Comparative information has been reclassified where necessary to enhance comparability in respect of changes in the current year. Where prior year data was not disclosed or where it is not practical to calculate the information, comparative information has been omitted.

Balance 31 December	<u>-</u>	<u>464,622</u>

7 Key management personnel disclosures

(a) Directors

The following persons were directors of INSEARCH Education during the financial year:

A Murphy

N Patrick

P Harris

Remuneration of key management personnel was borne by the ultimate parent entity.

8 Remuneration of auditors

The fee for the audit of the financial statements for the year ended 31 December 2014 and 2013 was borne by the ultimate parent entity.

9 Contingencies

The company had no contingent assets or liabilities at 31 December 2014 (2013: nil).

10 Commitments

The company had no commitments at 31 December 2014 (2013: nil).

11 Related party transactions

(a) Parent entities

INSEARCH Education is a controlled entity of INSEARCH Limited. INSEARCH Limited nominates the directors and provides funding to enable INSEARCH Education to carry out its charitable objectives.

12 Events occurring after the reporting period

The company's board members have approved to wind up the company. Prior to the time of signing the financial statements, the UK Companies House has confirmed that the company was dissolved on 17 February 2015.

Other than the above, no other matter or circumstance has occurred subsequent to year end that has significantly affected, or may significantly affect, the operations of the company, the results of those operations or the state of affairs of the company in subsequent financial years.

13 Reconciliation of deficit after income tax to net cash outflow from operating activities

	2014	2013
	\$	\$
Net deficit for the year	(464,622)	(20)
Net exchange differences	463,155	-
Net cash outflow from operating activities	<u>(1,467)</u>	<u>(20)</u>

14 Financial instruments

INSEARCH Education's principal financial instruments are outlined below. These financial instruments arise directly from the entity's operations or are required to finance the entity's operation. INSEARCH Education does not enter into or trade in financial instruments.

INSEARCH Education's risks arising from financial instruments are outlined below, together with the entity's objectives and policies for measuring and managing risk.

INSEARCH Education's Board has overall responsibility for the establishment and oversight of risk management and reviews and agrees policies for managing each of these risks. Risk management policies are established to identify and analyse the risk limits and controls, and to monitor risks. Compliance with policies is reviewed by the Audit Committee of INSEARCH Education on a continuous basis.

INSEARCH Education Principal Financial Instruments

	2014	2013
	\$	\$
Financial assets		
Cash and cash equivalents	-	1,552
	<u>-</u>	<u>1,552</u>

The fair value of the above financial instruments is equal to their carrying value.

As at 31 December 2014, there are no risks arising from financial instruments as the company does not hold any financial instruments and is in the process of winding up.

END OF AUDITED FINANCIAL STATEMENTS

In the directors' opinion:

- (a) the financial statements and notes set out on pages 1 to 11 are in accordance with the *Public Finance and Audit Act 1983* and the *Public Finance and Audit Regulation 2010*, including:
 - (i) complying with Accounting Standards, the *Public Finance and Audit Act 1983* and the *Public Finance and Audit Regulation 2010* and other mandatory professional reporting requirements, and
 - (ii) giving a true and fair view of the entity's financial position as at 31 December 2014 and of its performance for the year ended on that date, and
- (b) there are reasonable grounds to believe that the company will be able to pay its debts as and when they become due and payable.

This declaration is made in accordance with a resolution of directors.

A Murphy
Director

Sydney

INDEPENDENT AUDITOR'S REPORT

Insearch Education

To Members of the New South Wales Parliament and Members of Insearch Education

I have audited the accompanying financial statements of Insearch Education (the Company), which comprise the statement of financial position as at 31 December 2014, the statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, notes comprising a summary of significant accounting policies and other explanatory information and the directors' declaration.

Opinion

In my opinion the financial statements:

- give a true and fair view of the financial position of the Company as at 31 December 2014, and of its financial performance and its cash flows for the year then ended in accordance with Australian Accounting Standards
- are in accordance with section 41B of the *Public Finance and Audit Act 1983* (PF&A Act) and the Public Finance and Audit Regulation 2010.

My opinion should be read in conjunction with the rest of this report.

Directors' Responsibility for the Financial Statements

The directors of the Company are responsible for preparing financial statements that give a true and fair view in accordance with Australian Accounting Standards, the PF&A Act and for such internal control as the directors determine is necessary to enable the preparation of financial statements that give a true and fair view and are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

My responsibility is to express an opinion on the financial statements based on my audit. I conducted my audit in accordance with Australian Auditing Standards. Those Standards require that I comply with relevant ethical requirements relating to audit engagements and plan and perform the audit to obtain reasonable assurance about whether the financial statements are free from material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgement, including an assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation of the financial statements that give a true and fair view in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of accounting estimates made by the directors, as well as evaluating the overall presentation of the financial statements.

I believe the audit evidence I have obtained is sufficient and appropriate to provide a basis for my audit opinion.

My opinion does *not* provide assurance:

- about the future viability of the Company
- that it carried out its activities effectively, efficiently and economically
- about the effectiveness of the internal control
- about the security and controls over the electronic publication of the audited financial statements on any website where they may be presented
- about other information that may have been hyperlinked to/from the financial statements.

Independence

In conducting my audit, I have complied with the independence requirements of the Australian Auditing Standards and relevant ethical pronouncements. The PF&A Act further promotes independence by:

- providing that only Parliament, and not the executive government, can remove an Auditor-General
- mandating the Auditor-General as auditor of public sector agencies, but precluding the provision of non-audit services, thus ensuring the Auditor-General and the Audit Office of New South Wales are not compromised in their roles by the possibility of losing clients or income.

Caroline Karakatsanis
Director, Financial Audit Services
