- If you're an international student wanting admission for a future semester and a travel ban is still in place in your country of residence at the start of that semester due to COVID-19 (the refund will include the international student processing and UTS CoE fee).
- If you're a domestic student undertaking live online learning in Semester 1 2021 and you withdraw before the Semester 1 census date, a full refund of fees paid for Semester 1 will be made.
